## A Gourmet's Guide to Thai Cuisine

Ideally, for Thai Cuisine should be taken in small amounts. There is a variety of dishes with different textures and flavours. You will appreciate the flavours and taste more, if you select a few amounts at a time.

"The experience of having a Thai meal is a communal one. Many dishes are served for all to share. This makes the meal more enjoyable because you can sample different dishes."

The Management at Dee Thai tries to make every effort to ensure that every dish you order is cooked exactly to your requirement.

The Dee Thai management.

Some Dishes may contain traces of nut, MSG, GMO wheat or gluten products, please Ask before you order

Decorative items, such as banana leaf or orchid flower, should not be eaten.

Please note: Food Allergy Advice, we have prepared a full allergy ingredient listing on our menu and it's available from our staff should you have any particular concerns.

Our dishes are prepared in areas where allergenic ingredients are present, so we cannot guarantee that dishes are 100% free of these ingredients. Some dishes may contain traces of nut, wheat, gluten or other allergenic ingredients.
